A Publication of the San Diego Geranium Society  
The San Diego Geranium Society meets the Second  
Tuesday of the month, 7 p.m., in Room 101 of the  
Casa Del Prado in Balboa Park.  
Meetings are Free! All Welcome!

## Presidents Message

Well - it's show time again - and time to show off your beautiful geraniums! If you're setting up a display, room 101 will be open at 8am on Friday morning. We will have a floor plan at the next meeting so you can pick your spot. We will require lots of help Friday morning when the plants are delivered. Don't forget to include my silhouettes in your displays. I will bring them to the meeting. Let's make this a show to remember!

## Show and Sale -

### Things to Think About

Our Show and Sale is THE most important event of our year - and we need every member to participate in some way. EVERY member should have at least one plant that can be displayed at the Show - so take a look in your garden and see which plant you'd like to show off, and be sure to have it there on Friday. If you can't be there Friday, talk to another Club member about having them take it for you.

We will need people to work the Show/Sale on Saturday and Sunday. If you're not going to be at the next meeting, be sure to let someone on the Board know which day you will be coming to help.

We will need food for those who are working all three days - so please sign up (or let a Board member know) for what you will be bringing on the day you are working.

We need bags and boxes for our customers - you can stuff shopping bags with newspaper and bring them with you to the meeting - or you can bring them with you on Friday if you're coming to help set up. Remember that we're looking for small boxes to fit inside the red bags we'll have for sale - Fancy Feast boxes are perfect - Cup of Soup boxes are a bit tight, but work, too.

Tell your friends, family and neighbors about our Show and Sale! We need everyone to spread the news!

# “Geranium Zoo”

Think about our theme - and come up with a creative way to display your geraniums using that theme. Here are some ideas -

GeraniAviary

(This one's taken!)

Create an area using birds as accent pieces!

Going APE for Geraniums!

Use monkeys/apes in your display

Just LION around in my Geranium Patch!

Use lions/tigers in your display

Panda Pelargoniums

Go crazy with all things Panda!

Ivy Geraniums Slithering Through the Garden

If you like snakes - this is for you!

South African Safari

Have a collection of plants from South Africa? Go for it!

Hip - Hip - Hooray for Geraniums!

I see a line of dancing hippos in pink tutus!

Have fun - use animals creatively - show off your plants!
